Career Planning

The diagram illustrates the Career Decision Making Model as a circular process with four main stages: KNOW YOURSELF, EXPLORE OPTIONS, GAIN EXPERIENCE, and TAKE ACTION. Each stage is represented by a colored arrow pointing clockwise around a central hub. The central hub contains the text "Career Decision Making Model". Surrounding the hub are various icons representing career-related activities: a laptop with "Job Search" on the screen, a person at a desk, a person looking thoughtful, and a person in a graduation cap. Below the diagram, there is a dark grey banner with the UCR Career Center logo and contact information.

Career Development Programs

Guiding You to Career Success

UCR's Career Center partners with many other departments to offer a variety of programs to assist all students on their career path, providing guidance on resume writing, job searching and interviewing. The Career Center also provides specialized programming for underrepresented student groups, including first-generation college students, undocumented students, and student veterans.

ASPIRE

A partnership with UCR's Student Disability Resource Center, ASPIRE (Abilities-focused Students: Planning, Informing, Resource building, Exploring employment) is a career-development and professional-leadership program focused on the enhancement and exploration of career skills and transferable life skills for undergraduate students with disabilities. Information about the program for 2020-2021 will be available soon. Stay tune!
