FEDERAL WORK-STUDY PROGRAM – LETTER OF CLEARANCE

START DATE: 2022-12-14  
SUPERVISOR: Supervisor Name  
SITE: Moreno Valley Unified School District  
WORK-STUDY JOB CLASSIFICATION: E  
TE ID:

Student name SID has completed the necessary employment papers for participation in the Federal Work-Study Program and is cleared to begin working for your agency.

The student is currently eligible to earn a maximum of 2000 gross, roughly 105.263157894737 hours (subject to change), for the entire 2022-23 academic year (September 19, 2022, to June 9, 2023). Do not allow the student to work beyond this allocation, nor permit the student to work for more than 19 hours a week during school sessions nor over 39 hours during any vacation period (Winter and Spring break). The organization shall be responsible for payment of 100% of wages earned in excess of the allocation above.

Once the allocation has been exceeded you may continue to have the student work, but you will need to pay for 100% of the student's wages. A student that has been dismissed or has withdrawn from the University is not eligible for Federal Work-Study so the employer must pay 100% of wages earned. Students cannot be paid for holidays, sick leave, or vacation time.

Students are paid by the University on a biweekly schedule. Students will submit hours worked to timesheet.ucr.edu using their NetID and password. Students can use this guide to help them understand how to submit a timesheet. Students will also need to sign up for Direct Deposit through UCPath. Once logged in, select Direct Deposit under 'Income and Taxes.' Then add, update, or delete direct deposit information. To add direct deposit information, enter the bank routing number, the account type, the account number, and the direct deposit amount or percentage. The initial Direct Deposit set-up may take up to two weeks to become effective. Supervisors should keep handy UCR's Payroll Calendar. Please be sure to submit timesheets by the date listed under the "Employee Cutoff - 11pm" column. Off campus supervisors will need to approve timesheets by the deadlines. For help email wrkstudy@ucr.edu.

Federal Work-Study Invoice – For Work-Study positions that require payment of 25%-50% of the student's salary, the "Invoice" will be sent to you every month for payment of your organization's share of compensation on the previous month. Payments MUST be made monthly.

Employers need to be certain their employees understand their responsibilities. If, for any reason, employment is terminated, please notify us at wrkstudy@ucr.edu.

Kindly,
